

Preschool Tuition & Fees

2023-2024

Fees due for all students:

- **Application Fee:** \$70 (includes a \$20 FACTS application submission fee)
- **Registration Fee:** \$200 per student paid during submission of the enrollment packet (non-refundable)
- **Music Rhapsody:** \$300 per year, paid monthly August through May (the program runs September through June). This fee is added to your tuition balance and paid via your FACTS payment plan.
- **FACTS Payment Plan Fee:** \$20 - \$50 depending on the plan you select.

Please Note: Tuition covers the Valor Preschool 2023-2024 School Year, which begins on September 1, 2023 and ends on August 30, 2024. Annual tuition is calculated by multiplying our monthly rate (listed below) times 12 (for 12 months in the year). However, this annual tuition total can be paid in one, two, ten, or twelve payments, depending on which plan you select when you set up your FACTS account. Monthly tuition is paid one month prior to care (e.g., the August tuition payment covers care in September).
