

# Preschool Tuition & Fees

## 2024-2025

### Fees due for all students:

- **Application Fee:** \$75 (includes a \$22 FACTS application submission fee)
- **Annual Registration Fee** (non-refundable): \$200 per student paid each year in February for returning students or at the time of enrollment for new students.
- **FACTS Payment Plan Fee:** \$20 - \$50 per family per year depending on the plan you select.

**Please Note:** Tuition covers the Valor Preschool 2024-2025 School Year, which begins on September 3, 2024 and ends on August 29, 2025. Tuition is calculated as an annual amount. However, this annual tuition total can be paid in one, two, or up to twelve payments, depending on which plan you select when you set up your FACTS account. Families with monthly plans pay tuition each month prior to care (e.g., the August tuition payment covers care in September). Monthly payments are the same for months including holidays and non-student days. Please see our Preschool Family Handbook (under the resources tab on our [website](#)) for a full list of annual holidays.
