Valor Christian Academy |
2024-2025

ABOUT THIS DIRECTORY

Here at Valor Christian Academy, we have a Parent Teacher Fellowship (PTF) made up of Valor parents to ensure that we're building the community we want to have, together. The main goals of PTF center around creating opportunities for fellowship, fundraising, and service.

In the 2024-2025 school year, we had two major fundraisers. In the fall, we had the first Golf Tournament that we've had in over a decade, and we are so proud to have fostered new relationships with South Bay businesses.

In the Spring, we hosted our 21st Annual Jog-A-Thon, and our kids raised OVER \$100,000. We are so proud of their hardwork, asking friends and family (as well as local businesses, like their dentists!) for pledges.

We wanted to create this directory to highlight the businesses that have chosen to give to Valor, with the hope that our Valor community could be patrons to the businesses that are already friends of our school.
